

SHENA NORREN D. PAHUGOT

IT Graduate | Documentation & Data Processing Specialist

+63-9329123656 | pahugotshena31@gmail.com | Babag, Lapu-Lapu City 6015, Cebu

PROFESSIONAL SUMMARY

IT graduate with experience in customs documentation, billing, and data processing. Skilled in maintaining accurate records, verifying information, and handling high-volume transactions in fast-paced environments. Detail-oriented, adaptable, and eager to contribute strong organizational and technical skills while continuously learning and growing.

WORK EXPERIENCE

Billers / Import & Export Declarant

June 2025 – February 2026

Lao Customs Brokerage | Mandaue City

- Prepared and processed billing invoices for high-volume import and export transactions based on shipment documents, including applicable surcharges and company rate structures.
- Managed customs documentation and verified billing data before submission, helping reduce payment delays and billing discrepancies.
- Processed and submitted over 100 customs entries weekly using government and customs systems while resolving data errors to prevent shipment delays.
- Maintained organized digital records and documentation standards for 200+ transactions, improving document traceability and supporting compliance requirements.

On-the-Job Trainee (OJT)

January – April 2025

Everserve Medical Clinic | Mandaue City

- Entered and updated patient information, vital signs, and laboratory findings into standardized PDF templates with accuracy and consistency for 50+ records daily.
- Compiled laboratory results and supporting documents into patient summary reports, recording significant findings and preparing finalized records for printing and digital record keeping.

TECHNICAL SKILLS

- Microsoft Excel (Data Entry, Formatting, Basic Formulas)
- Data Entry & Record Management
- HTML, CSS, JavaScript
- Basic Database Management
- **PHP, Vue.js, SQL(MySQL)**
- Microsoft Word, PowerPoint

CORE SKILLS

- Attention to Detail
